

TEST DAY DISCLAIMER

Please note: Due to several recent incidents XS Rider Training School (XSRTS) remind you that it is **your** responsibility for ensuring that you have all the relevant documents with you, and are dressed appropriately on the day of your test.

1. Failure to produce all the necessary documents at the test centre, or wear suitable motorcycle clothing, **will** result in the forfeiture of your test and you will **still be required to pay for your test, bike hire and any lesson time booked**. If you are unsure of what you should bring/wear, please ask.....
2. **XSRTS** will make every effort to ensure that you have the correct documentation with you prior to leaving the office, but if you should leave one or all of them at home, xsrts are not responsible for the collection of documentation on route to the test centre. **XSRTS is only responsible for getting you from the school office to the test centre by the most direct route.**
3. In the event that you should leave any/some/all of your documents at home or have incorrect documentation (please see the document checklist below), you will be given the choice to return home to retrieve the documents and make your own way to the test centre meeting up at least 10 minutes before the allotted start time of your test, or to contact a relative to bring the documents to the test centre for you. **Note : if you do not make it to the test centre before your test time, you are still liable for the test, bike hire and the lesson fee.**
4. Test day is a stressful event for everyone so please ensure you have everything ready the night before to bring with you. As a contingency **please ensure you know where the test centre is, and the route from your home to the test centre just in case!!.**
